THOSE REBEL FLAGS.

Nasby Visits and Consults the President About Them—His Excellency Argues if the People Stood His Pension Vetoed They will the Flag Order.

I am in Washington just now by invitation of His Excellency, the President, as a sort of advisory committee to assist in settling such ticklish questions as may arise in the seceded States, which is now, thank heaven, the Government.

I remarked that to attempt to send back them flags and such, would create a feeling in the North which would be uncomfortable for His Excellency and consequently for us.

"Why so?" wuz asked. "Did he not veto the Pension bill, and hez ther ben any upsin about that? Ef he can do that, why not this?"

"My liege and gentlemen," I replied, "you'll diskliver that there's a thunderin' site uv difference between a penshun and a flag. Ther's many a soljer who wooden't thank ye for a penshun who will raise sich a hell ez yoo never dreamed uv if ye tetoh his military record. Them flags is his military record, and ef I wuz in power here I shoold let them severely alone. Troo, there wuzn't any aprisin about the penshuns, but the time for the upsin ant jist at hand. That will show itself next year. No man wood more like to see them kiver em with sich romances ez we chose; but looking at it as a praktike man, I don't like it. I hev a offis. I never wuz more comfortable in my life. I hev nothin seshly to do, and a good salary for not doin it. I want His Excellency re-elected in '88, for I don't want to be hurled out uv that comfortable place like a stun from a catapult, and be landed on the cold and sterle rox uv defeat."

"I've heer'd enuff uv this kind uv talk," said his Excellency, with a pertenshus frown on his brow. "I've heer'd enuff uv this kind uv talk, and we'll dispense with it. I'm responsible to the Dimekratic party, wich, by the way, I am. Wat is the Dimekratic party?"

The order wuz determined upon and ishooed at about 10 A. M., and the morning wuz spent in innozent hilarity. Genrel Hercules McHammer, uv Mississippi, sed how wonderful is the finger uv Providence and how the Lord hed showed up in the matter uv the late struggle. He (McHammer) went into the war actilly expectin' to bust the old Government and controle the whole kentry by force uv arms. But the Lord 10-booked our presumshen. He permitted us to be whaled in the feeld to show the yocossinis uv the South's appeelin' to arms so long ez they had the Northern Dimecrisy to depend upon. The South wuz crushed in the feeld, but what happened? The Dimecrisy uv the North cum promptly to her aid, and lo! where are we now? We got back into the Government with the addishnal representation that the zigger popelashen gave us, without being at all worried with the nigger vote. We hed elected a President from the North, it is troo, but that wuz only becoz a Northern man aluz wood do more for us than a Southern.

Genrel Rosser, uv Virginiy, did not want to seshly irritate the North. He wanted absolot pece, and he considered this thing uv sending the flags South so that they could be safely lied over wuz a step in the rite dreekschen. But in addishn to returnin' these flags, he shoold insist upon some other things. Frinstance, laws shoold be passed preventin' sich ruffians ez Genrel Sheridan from goin down the Shenandoa Valley, remandin them shrivelsome people uv the time when he went down there with some bloo-koted Linkin ruffians behind him and made it warm for the then un-subdoed Confederisy. Time and unness hez mitigated the greifs uv the people uv that valley, but such uv em ez are not absent holdin consulates wooden't like to see Sheridan. We are willin' to permit Sheridan to live, but ther must be a limit to what he does that all this wuz troo, that he wuz willin' to do this to bring about the ery uv good feelin in the Dimecratic party, which wuz lokated in the South and in the lower wards uv New York City.

Genrel McHammer remarkt that ther hed got to be a good deal more dun than that to satisfy him. He shoold insist on penshunin Confederit soljers skal to Fedrel, and datin the penshuns back even with Fedrel soljers.

I wuz rithin under these injoodishus announcements uv policy, and wuz in hopes some one wood steer His Excellency away from such a dangerous course. But not one uv em dared say a word ept Endicott, wich remarkt that it wuz prinsipal, and in the coz of prinsipal he wuz willin the party shoold die, ef it hed to, but it wood be with its feet to the foe and its eyes to heaven.

"Hellen blazes!" I shreeked, "wot folly is this? Wat's all this about dein with our feet to the foe and our eyes to heaven? I don't want to die. I ain't jist now concerned about wot kind uv a corpse I shel make, for I don't want to be a corpse at all. Hev'n't the Dimecrisy got sense enuff to live? Can't we manage to eggist a while and enjoy the spoils? Yer Excellency, reconsider this rash act."

"Never!" sed he, "never! I hev sed it and it shel be done."

"Then yoo may ez well pack yoor baggage and prepare for a skip March 4, 1889—you may ez well!"

—Jist here commenst a scene. The order to send back the flags hed got onto the streets, it had bin tellygraffed all over the kentry, and responses wuz a coming back ez thick ez lice in Egypt. No matter wich it wuz from Republickins Dimecrats, it was one continyood per-test against the move.

"Wool yoo insult the entire North?" shreeked the Republickins.

"Wool yoo throw away the last chance yoo hev for a re-elekshun?" shreeked the Dimecrisy.

And His Excellency looked over the telegrams. "Wer is Milwaukee?" he asked feebly. "Is ther sich a place ez Peoria?" he murmured. "Pittsburgh."

"You bet ther is such places," sed I, "ez you will discover next year."

"Well, ef we hev made a mistake we hev made one, and must back down. Bayard, write a dispatch saying that after giving the matter more matoorer considerashun we have decided to let

the d—d flags where they are, not becoz, we don't consider it the correct thing to do, becoz, havin eggamined the law, we find we ain't jistified in doing it, though it should be done."

"My Liege, don't say that," I empored. "Say that it was the work uv somebody else, and that yoo never knowed a thing about it till it was done and that the moment yoo got wind uv it yoo made bot haste to rescind the order. Put it on Bayard, put it on Endicott, put it on me. We have got to nominate yoo agin, and we want some sho uv electin yoo, so that yoo can reappt us. Oh my Liege—"

He wuz iumovable. Directing Bayard to do ez he directed, he had stalked out of the chamber.—Toledo Blade.

A SUBURBAN HOTEL.

An Enterprise of Importance to the Picturesque City of San Rafael.

The San Rafael Hotel Association is the name of a new company being incorporated in that suburban village with a capital stock of \$200,000. Among those who have already subscribed for capital stock are: James Mervyn Donahue, William T. Coleman, F. C. De Long, Robert Watt, William Babcock, Frank S. Johnson, Mrs. Velasco, the Pachecos and others who possess landed interests in Marin county.

It is said the Association will take the Watt tract, twenty acres in extent, situated just inside the village. On a mound which rises above the surrounding plain, it is intended to construct a \$100,000 hotel. A creek flows close by, and the numerous wooded groves make the site a spot of marvelous and picturesque beauty. Several plans have been prepared and are now under consideration by the Directors. One will shortly be adopted, and it is expected the work will be completed by December 1st next. As an auxiliary to the hotel an elegantly equipped bathing establishment will be erected close at hand. It is stated that the Raymond excursionists will furnish a large contingent of guests during the winter months.

HUMBOLDT DISTRICT AGRICULTURAL SOCIETY.—The Silver State says:

Last April the Humboldt District Agricultural Society was organized here. Eight Directors, as provided by law, were appointed by Governor Stevenson, and the following officers were elected at a meeting of said Directors: President, Alex Wise; Secretary, E. S. Archer; Treasurer, F. N. Levy. Yesterday the Board met and decided to hold a four days fair commencing Wednesday, October 12th. The Board also decided to offer premiums aggregating \$5,000 for races and premiums for live stock and agricultural products.

TESTIMONIAL.—I have been slowly going blind with granulated eye-lids and white spots forming on my eyes for the past seventeen years. I heard of Dr. Prentice at the Lake House, Reno, and rode over sixty miles on a mustang to see the Doctor. Dr. Prentice has now treated my eyes one week, and I can see better than I have in ten years, and read the newspaper again. Myself and other patients have persuaded Dr. Prentice to stay at Reno one week more until June 24th. ALBERT PROCKER.

Will Remain a Few Days Longer.

Dr. Prentice, who has done a large and successful business in Reno and Virginia City, at the urgent request of many suffering people in Nevada, has consented to remain at the Lake House, Reno, until July 24th.

Advice to Mothers.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cents a bottle. Feb. 21—aw 4-1v

THE PRESIDENT'S GOLD MEDAL

President Powning offers as a Special Premium a GOLD MEDAL, value \$100, for the Best Exhibit in Any Department.

COUNTY EXHIBITS.

\$100 FOR THE BEST, \$50 TO THE SECOND. The State Agricultural Society is laboring to bring out Nevada's resources. In order to have a proper exhibit from the various counties it offers \$100 for the best and \$50 for the second best exhibit by counties. Washoe county is excepted from competing because it is the "local" home of the Society. The articles grouped together by any county as a whole, will not be excluded from competing singly, and may be entered in that manner, for the various classifications printed in the catalogue.

Trials of Speed to be conducted under the auspices of the Directors of the State Agricultural Society.

REMARKS AND CONDITIONS.

Nominations to stakes must be made to the Secretary on or before the first day of August, 1887. Entries for the purses must be made for Monday's races on the Saturday preceding, for Wednesday's races, on Monday, and for Friday's races, on Wednesday, at the regular time for closing entries as designated by the rules. Those who have nominated in stakes must name to the Secretary in writing which they will start the day before the race, at 2 P. M. Horses entered in purses can only be drawn by consent of the Judges.

The rules of the Pacific Blood Horse Association will govern running races. All horses entered for State purses must be owned and kept in Nevada and California, east of the Sierra Nevada, for six months prior to day of race. Entries to all trotting races will close September 1st, with the Secretary. Five or more to enter and three or more to start in all races for purses.

National Trotting Association Rules to govern trotting races. Pacific Coast Blood Horse Association Rules to govern running races, except as above.

All trotting and pacing races are the best three in five, unless otherwise specified, five to enter and three to start. But the Board reserves the right to hold a less number than five to fill, by the withdrawal of a proportionate amount of the purse. Entrance fee, ten per cent. on purse, to accompany nomination.

National Trotting Association Rules to govern trotting, but the Board reserves the right to trot heats of any two classes alternately, if necessary to finish any day's racing, or to trot a special race between heats. A horse making a walk-over shall be entitled only to the entrance money paid in. When less than the required number of starters appear they may contest for the entrance of money, to be divided as follows: 60% to the first and 35% to the second.

In all the foregoing stakes the declarations are void unless accompanied by the money.

Please observe that, in the above stakes, declarations are permitted for a small forfeit. In all races entries not declared out by 6 P. M. of the day preceding the race shall be required to start.

Where there is more than one entry by one person, or in one interest, the particular horse they are to start must be named by 6 P. M. of the day preceding the race. No added money paid for a walk-over.

Racing colors to be named in entries. In trotting races drivers will be required to wear caps of distinct colors, which must be named in their entries.

Each day's races will commence promptly at one o'clock P. M. All entries must be directly to C. H. Stoddard, Secretary of the Society.

EQUESTRIANISM. Ladies' Grand Tournament for the most accomplished and graceful lady rider, on Friday, Sept. 23, Wednesday, Sept. 28 and Friday, Sept. 30, at 10 o'clock A. M.

The Society offers four premiums, valued respectively at \$100, \$75, \$50 and \$25. The lady who is adjudged first shall have her choice of all premiums offered. The second lady shall have second choice, and so on.

All ladies must ride with saddle and bridle. It is expected that other special premiums will be added to this list by private contribution. No one but ladies of the highest respectability will be allowed to compete for prizes.

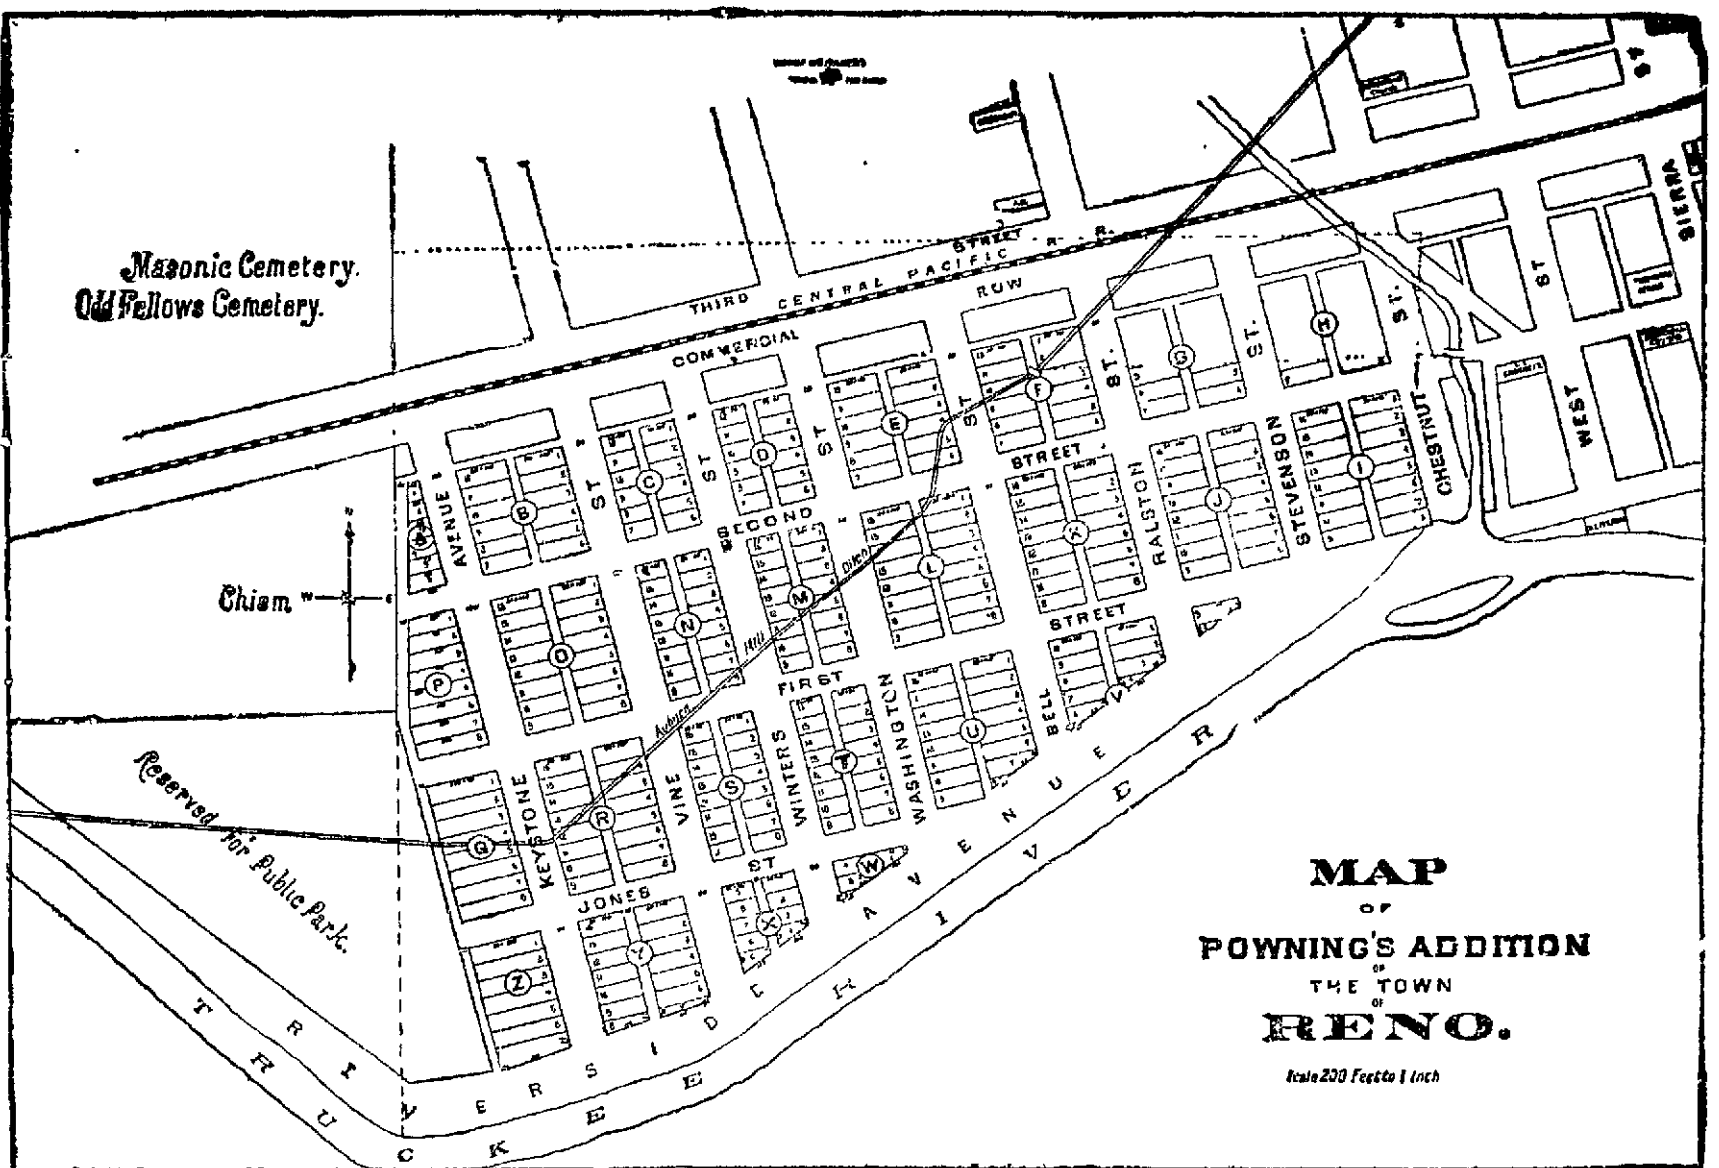

Ladies wishing to compete for prizes will please send name to Secretary, endorsed by two members of the Society.

INDIAN PONY RACES. On Thursday, Sept. 23d, Monday, Sept. 26th and Thursday, Sept. 29th the novelty of an Indian pony race will be provided, and the annual fight of twenty or thirty noble red men of the forest, mounted on the wildest and most unmanageable cayuses imaginable, galloping about at the top of break-neck speed, will, as they say at the circus, be alone worth the price of admission.

GLYDESDALE MEDALS. The American Clydesdale Association will give a valuable medal, of suitable design, for the best recorded Clydesdale stallion, and a similar medal for the best recorded Clydesdale mare bred in Nevada, and exhibited at the State Fair of 1887.

BALLOON ASCENSIONS. Arrangements have been made for a series of balloon ascensions during the Fair, alike novel and exciting. Ascensions will be made daily from the race-track.

BICYCLE RACES. Two or three bicycle races will take place between the fastest wheelmen in the State, and ten contestants are counted upon.

250 Beautiful Lots For Sale!

A RARE CHANCE FOR INVESTMENT AND A HOME.

THE MOST LOVELY PORTION OF RENO.

Facing the Truckee—The Aristocratic Riverside Avenue Driveway—Splendid Sewerage—Healthy Location and Safe From Fire.

The proprietor is now ready to receive proposals for lots in Powning's Addition. The map gives a good idea of the Tract, which is situated between the Central Pacific Railroad and the Truckee River, and commences on the west at a point three blocks distant from Virginia Street, making it the most central and convenient of any portion of the rapidly growing town of Reno. Unlike any other part of the town this Addition faces the beautiful Truckee River and Riverside Avenue is certain to become the fashionable driveway of the country. The streets are 80 feet wide, while Riverside and Keystone Avenues are intended to be 100 feet in width. All alleys are 20 feet wide. The soil is a rich gravelly loam, and susceptible of the highest state of cultivation. Being situated as it is it is more safe from fire than any other section. The regular lots are 50x140 feet. The sewerage is perfect.

Before Buying Elsewhere Parties will do Well to Look at These Lots.

PARKER'S MAP OF NEVADA.

THIS NEW AND BEAUTIFUL

MAP OF THE STATE,

Has Just Been Published, and is Now Ready for Sale.

It has been completed with great care in order to make it being strictly correct, and furnishes a vast fund of valuable information regarding the topography of the State. There never has been a Map of the State prepared heretofore worthy of the name, and it is intended to fill a long-felt want on the part of citizens. It has been lithographed at large expense by the famous publishing house of Rand, McNally & Co., of Chicago, and does great credit to their well-known skill in the art. The Map is drawn on a scale of 12 miles to the inch, and shows all surveyed Townships up to date of issue, also all Mountain Ranges, Valleys, Rivers, Creeks, Brooks, Streams and Lakes; it also shows the correct position of all Indian and Military Reservations, and all Cities, Towns and Settlements; also all Railroads and the principal Wagon Roads. The County Boundaries are also depicted with absolute correctness, which is something that no other Map has even approximated to.

The Map is printed on the best of paper, and mounted with stick, top and bottom, with tape on edges and varnished; it is also printed on thin, strong paper, which folds up in stout covers for pocket form. The Counties are printed with different colors, making it altogether an ornament to any school house, office, saloon or private room, as well as valuable for instruction and reference.

The Map has been compiled by John W. Parker, the Chief Draughtsman of the United States Surveyor-General's Office at Reno, who holds the copyright, and is the condensation of all information on file in that office, as well as the celebrated War Department Maps prepared by Lieutenant Wheeler; he has also had at his command other recent and reliable data on which to rely, and the Map is issued to the public in the firm belief that it is in every way authentic.

The Price of the Map is \$5.00,

And copies will be sent to any address, postpaid, upon receipt of the money. Parties ordering will be careful to state which style is desired—mounted or pocket form.

John W. Parker,
Reno, Nevada.
